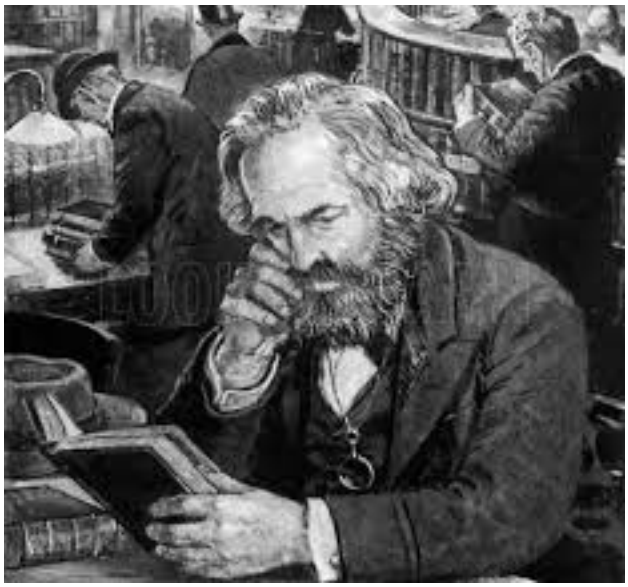
Speeches on the German, Parisian and even English and Spanish and American New York and Detroit Working Class (1867 – 78)



By Karl Marx

I. All Workers Must Unite

I mean be with a Prophet, raise the strike to a maximal level, and disorganize the people for autonomous action, I also mean be power to the people, be radical and more radical.

II. Prophetic Years to Come for Me

I mean Prophetic years will be lived by me, Karl Marx, and we will be free.

III. Utopianism

I mean utopianism, I mean happiness, all of this is Gotha.
